There will also be funds supporting Backpacks For Kids, Cary Library, Salvation Army, Dollars For Scholars, Student Recognition Day, International Projects, Rotary Youth Exchange and more.

Torrey Sylvester

Remembering A Long Time Rotarian

This year's Houlton Rotary Radio & TV Auction is dedicated to the memory of Torrey Sylvester who passed away June 24, 2023 at the age of 86.

Torrey was a Rotarian for approximately 50 years. He served as president from 1978-1977 and was recognized in 1994 as a Paul Harris Fellow – a designation named for the founder of Rotary and an honor that gave Torrey great pride.

Torrey was a constant Rotary presence. He attended most meetings and participated in almost every Rotary event or project. For many years, if someone made a lighthearted lawyer joke, Torrey would lead other attorneys in the club to pull out a banner they had made which declared "Paul Harris Was A Lawyer".

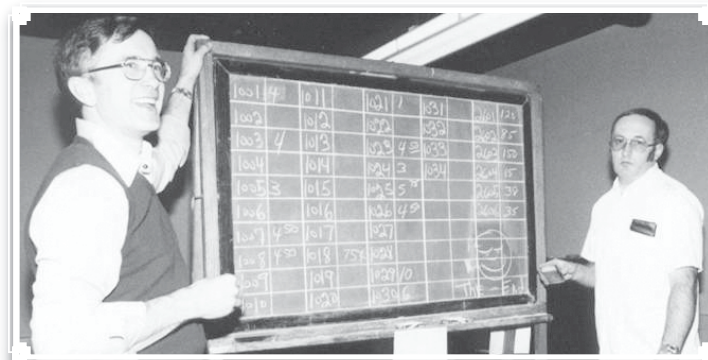

He was very active in organizing the Annual Canoe Race, often worked in the Rotary food booth and chaired the Polio Plus campaign for numerous years and, of course, always participated in Annual Auction working on the phones, on the old chalk board back in the day, as a pegger and sorter and as an on-air auctioneer ... often with his law partner, Forrest Barnes. His handcrafted cribbage boards were regular items on the auction where dozens were sold over the years. Torrey was often a top seller of raffle tickets or 50/50 tickets. He was also an avid supporter of the Boy and the Boot promotion.

In addition to Rotary, Torrey served the community as a member of the Masonic Lodge. He was a supporter of the hospital and served on the Health Services Foundation. He was instrumental in the campaign for the Houlton Community Arts Center and supported the Houlton High School Alumni Association. He was also active in his church.

Music was a huge part of Torrey's life. He spent years in barbershop quartets and singing in his church choir. He was also an avid outdoorsman who was a founding member and vice president of the International Appalachian Trail. He was instrumental in getting the organization to recognize that Mars Hill Mountain was a part of the Appalachian Mountain range and should be included in the trail plans.

Torrey had a 65 year love affair with his wife Jennifer. They raised four children in Houlton – Steven, Sam (who predeceased him), Susannah and Linda. He enjoyed his numerous grandchildren and time spent at their camp at East Grand Lake. He also leaves behind his sisters Kim Sylvester Rinfret and Rachel Sylvester Good and many other relatives.

Torrey left a mark on the Houlton Rotary Club and on the community. We will be thinking of him during this year's auction and hoping he is with us in spirit!

The Houlton Rotary Club sponsored an Interact Club about two years ago. Interact clubs bring together young people ages 12-18 to develop leadership skills while discovering the power of Service Above Self.

The local club is a community based group called the Interact Club of the Meduxnekeag and is not associated with any one school. We currently have students from Houlton and Hodgdon in the club and encourage other youth in the area to contact the Houlton Rotary Club to learn more about the group and how they can be involved.

Pictures of Interact Students and their service projects are featured here. We are so proud of these emerging leaders!

A HEARTFELT THANK YOU TO THE HOULTON ROTARY CLUB AND TO THE VERY GENEROUS DONORS AND BIDDERS OF THE ANNUAL ROTARY AUCTION

Your overwhelming generosity and support of the **Boy and the Boot Fund** and the various **HEALTH SERVICES FOUNDATION'S** Fundraising Events throughout the year, has allowed the Foundation to provide, to-date, over **\$3.1 MILLION** in funding assistance to our local hospital and nonprofit healthcare providers and organizations for critically needed medical equipment, educational programs, services, technology upgrades and health and safety devices. In 2022 the Foundation provided funding for new 3D Mammography Tomosynthesis equipment for Houlton Regional Hospital's Radiology Department, providing the Gold Standard of mammography services for area patients.

The Boy and Boot Endowment Fund

- Established in partnership with the Houlton Rotary Club and the Health Services Foundation in 1983, and remains a significant and growing funding source still today.
- 500 Miniature Pewter Boy and the Boot Statues were commissioned by the Rotary Club each one numbered, and then the mold was broken.
- Your \$1,000 pledge for a numbered Pewter Boy and the Boot Statue represents an investment; a legacy of your commitment to the healthcare needs of your community and is recorded on the Contributor's Wall in the concourse of Houlton Regional Hospital.

- **Only 34 statues remain to be sold!**

RING THE BELL AT THE AUCTION WITH YOUR BOY AND THE BOOT PLEDGE!

Payment options are available for your convenience.
