Are you Ready to Change Lives: Become a Rotarian

Who	Rotary is a worldwide, non-profit organization of business and professional leaders who provide humanitarian service, encourage high ethical standards in all vocations, and create goodwill in our community and throughout the world. We are here to learn from each other, make connections, and build relationships.
What	Rotary is the world's first international service club with over 1.4 million members. There are 46,000 Rotary clubs in more than 200 countries and geographical areas. Clubs are nonpolitical, nonreligious, and open to all cultures, races, and creeds.
Why	Rotarians are people of action. We formulate projects and raise funds to meet the needs of our community and beyond. Through Rotary International, we champion global causes, such as the eradication of polio, the creation of schools and hospitals, address wellness and water quality, and provide funding for disaster relief. We utilize the talents of our members to better our communities both near and far.
When	Houlton Rotary meets on Mondays at noon at the Church of the Good Shepherd. We also offer the ability to connect remotely if someone is not able to join in person. For one hour a week business people, community leaders, and guests come together to share lunch, network, and build lasting relationships. We learn from our meeting presenters and guests to have a better understanding of the world around us. We plan events and work as Rotarians to "Serve to Change Lives". Join us for a meeting or talk to a Rotarian to find out more about our club.
